**OH LOOK! A LITTLE TEST AND IT SHOULD BE FUN!
ME? A GEEZER? AW, COME ON. WELL, I SUPPOSE I
COULD BE, I REMEMBER ALL OF THE ITEMS IN THE
WORD LIST!**

How about those metal ice cube trays? Well of course you remember those! If your fingers were wet, you'd stick to the tray. If you licked the thing, you'd fare much worse, (and don't ask me how I know). How about candy cigarettes? They tasted terrible- chalky, but wasn't it Cool to carry around a pack of smokes, even if they were fake? Those were the days!

Are you a geezer?
