MAX In Common is the premier online community for people in business to connect with other business professionals. It's a place to exchange notes and chat live with other members and learn from the experience of other members. On top of that, we provide an ever growing collection of tools and resources aimed at helping you succeed in business... all in a professional atmosphere. Networking, member pages, profile searches, ebook and software libraries, classifieds and many other tools are available.

**Increased advertising and business exposure!** At the MAX In Common online community, free members can take advantage of the classifieds and forums to discuss and promote their businesses. Gold members are able to add unlimited website listings to the Search With MAX directory in as many sub-categories as apply and even "Adopt" up to 5 categories to achieve "Targeted Banner Advertising" with unlimited banner displays and click-throughs. These links and banners are not just available to our members like with some community sites... they become part of the [Search With MAX Directory](#) that is available to everyone on the Web and ALL Members benefit from the exposure!
