### HIDDEN MESSAGE:

“ \_ \_ \_ \_ / \_ \_ / \_ \_ \_ \_ / , \_ \_ \_ \_ \_ ! ”  
 (17 LETTERS-4 WORDS)

<http://www.songsofpeace.net>

In the midst of violence and war...how can we become bearers of peace? How to deepen trust ...and expand the circle of communion between peoples of this world. In the beauty of silence and song we offer a prayer of peace. Peace of heart... peace between people and nations...peace in and throughout this lovely earth. .In this simple way, we begin to let go of hostilities and fear, and begin to enter into trust, into peace.
